## **Guidance for Assessors to be followed during ENAS Assessments**

# **Conducting Opening Meeting:**

It shall be conducted by LA, which shall cover the following:

- Introduction of CAB personnel and assessment team members, observers, as well as their roles.
- Explain the purpose of assessment and ENAS accreditation process discussed.
- Clarify and confirm the accreditation criteria and scope under assessment.
- Confirm details of assessment agenda and plan, to agree with CAB work schedules.
- Confirm that management system documents received.
- 6. Explain that assessment is a sampling-based exercise.
- Mention that ID of people present and those to be interviewed will be recorded.
- Discuss observation form, and outline NCR categorization.
- 9. Request the CAB to confirm the Escort assigned for each assessment team members.
- 10. Confirm any site-specific health and safety issues that the team need to be aware of; if possible, request a tour to walk through the site for familiarization of facility (no more than 10-30 mins).
- 11. Confirm logistics, guides and facilities required by the team.
- 12. Agree on place to work in private.
- 13. Confirm reporting arrangements; at least agree on tentative time for closing meeting.
- 14. Confirm confidentiality undertaking.

### **Conducting Closing Meeting:**

Before leaving site, the Assessment Team shall hold a concise closing meeting (usually > 1 hour) with the CAB top management representatives, which shall be chaired by the LA. The assessment team shall do or provide the following:

- 1. Thank the Organization for their hospitality.
- A verbal summary of the outcome of the assessment, highlighting any areas of good performance, as well as areas of concern with the CAB (constructive criticism).
- The recommendation from the assessment team in relation to accreditation for defined scope.
- Discuss any revisions to the draft scope of accreditation; any revisions to the scope shall be initialed by assessor and CAB representative.
- Explain ENAS policy on raising and closure of nonconformities.
- Discuss any observations / NCRs with supporting objective evidence explained.
- 7. CAB shall be made aware about the actions required for their closure of NCs, within the timescale for submission of the corrective actions, with supporting evidence to demonstrate suitability of corrective actions and effective implementation.
- Ensure that CAB management understands ENAS
  conditions, policies and procedures; as well as what
  further action is required before accreditation will be
  granted or continued.
- Confirm if extra visit, re-witness or follow up visit is required to close findings raised in the assessment.
- Discuss any fees for corrective actions and inform that accreditation will not be granted until fees will be paid in full.
- 11. A copy of the nonconformities shall be left with the authorized representative of the CAB.
- 12 Explain next steps in the accreditation or renewal.

## Preparation for an assessment,

## please be reminded to go over at least the following:

- Check scope of accreditation if methods in scope are the latest version. If not, then CAB must justify the use of the old methods.
- 2. Read CAB's website.
- Read relevant QS or other preparatory documents, e.g. previous assessment report of CAB's, provided and reviewed.
- 4. Document review adequately completed, and any findings are reported prior to the assessment.
- Self-generated questions / notes are prepared based on document review.
- Confirmation of the duration of assessment, and preparation time agreed with CAB.
- Proposed agenda and logistics (e.g. location, hotel stay, security arrangements, etc.) to be established and communicated.
- 8. Read the Standards
- 9. ENAS Procedures:
  - o ACP 11 Assessment, Review & Decision
  - o ACP 15 Assessment Sampling Procedure

#### 10. ENAS Policies:

- EP 01 ENAS Policy on Impartiality, Conflict of Interest and Confidentiality
- EP 02 ENAS Policy on Conditions for the Use of ENAS Symbol by Accredited CABs
- 11. ENAS Technical Requirements (current up to date ETRs for each Accreditation Scheme ).

#### **ENAS Assessors Handouts for Assessments**
